

REACH FOR THE STARS

CELESTIAL & FUTURISTIC

Thursday evening gala dinner:

Black Tie or Reach for the Stars, 'Celestial & Futuristic'

We are accelerating into the future, now, it's time to go further than ever before, embrace the journey to new heights, and wear metallics, sequins, deep blues/purples, or starry accessories.

But of course, we never dismiss a touch of Wella RED in our outfit colour pallet!

Please refer to next page for inspiration.
